Any client who places a minimum order of \$3000 will be considered a Premier Customer.¹

Benefits of becoming a premier customer:

- Receive 10% off of all new orders and reorders (excluding sale items) as long as your account remains in premier status.
- Earn free shipping on all orders.
- **Risk free buying!** At the end of each selling season² **you may return your unsold goods for a credit towards your next order.**³ The next order must be for the following season's collections.
- You may split ship your order into a maximum of three shipments per season if you can't take delivery at once.

¹ In order to maintain your Premier Customer status you must continue to order a minimum of \$3000 from season to season.

² End of selling season (ESS) is determined to be Jan 1st for fall/winter, and June 1st for spring/summer. You will have 60 days from ESS to return unsold goods.
